

Stonehill College

STUDY ABROAD NON-REFUNDABLE DEPOSIT REQUEST

I, _____, have applied to participate in a study abroad program through
(print name)
Stonehill College (the College). I understand that I am obligated to pay Stonehill tuition, fees, room, and, if appropriate, board to the College in order to participate in a study abroad program offered through/approved by the College. I further understand that I am responsible for any program costs not included in the billed charges; and, if the cost of my abroad program exceeds the amount Stonehill would charge me for the same academic period, I will pay the College the difference.

In order to secure my opportunity to participate in a study abroad program, I understand that the College may have to submit a deposit to the study abroad provider on my behalf.

If I do not attend the study abroad program for any reason whatsoever, I understand that I am obligated to reimburse the College the full amount of any non-refundable deposit(s) and/or program fee made on my behalf in addition to any obligations regarding the fees¹. I understand that failure to reimburse the College may affect my ability to enroll in classes at the College, and I further understand that I will not receive any diplomas, certificates, degrees, or transcripts until all obligations have been fulfilled.
