President's Council donors understand that significant private support is critical to our current growth and our future of opportunity. They are individuals— alumni, parents and friends who believe in the mission of Stonehill. This level of annual giving leads us to excel in our commitment to educate. Whatever their giving preferences, President's Council members are the source of funding for some of our most essential needs: scholarships, new educational initiatives and outstanding facilities.

Each year, alumni, parents, and friends join or rejoin the President's Council. As a President's Council member, you commit to the future of education for students at Stonehill. Your gift endorses Stonehill's longstanding mission of private higher education, rich in Catholic identity, wisdom and faith, while providing a solid foundation for the College's future success.

Every gift to the President's Council makes a difference in its own right and reveals the remarkable power of giving.
