The following is a list of advisee responsibilities...

- Prepare in advance for advising appointments
- Review myAudit, print it out and bring with you to your meetings
- Ask questions of your advisor to get to know him or her and the College better
- Clarify personal values or issues that affect your studies in college
- Keep up to par on major requirements and changes in the curriculum
- Become knowledgeable about college policies and procedures
- Seek assistance from academic support and student services as needed
- Make and keep academic advising appointments
- During course registration, make sure to review courses first and come prepared with a list of potential class options

Meeting with your advisor can...

- Keep you on track with all your General Education and major requirements
- Help you choose courses that interest you when exploring different majors
- Put you in touch with valuable resources on campus
- Clarify the College policies, regulations, programs and procedures
- Turn you on to a new intellectual enthusiasm about different majors
- Help you gain a “friend in the business”
- Help you select a graduate/professional school
- Set you up with a professional network in your major
- Keep you informed on the latest trends in your major
