Mission Statement

What is HOPE?

HOPE is Stonehill College’s service immersion program. It is an acronym standing for the four main tenets of the program. HOPE is much more than a week of service. Participants of the program take part in weeks of preparation during which they learn about the four tenets, diversity, solidarity, and their specific host sites. Reflection on these and other topics also takes place on the trips to make the service more meaningful. Afterwards, groups continue to meet to further their understanding and discuss how to best advocate for the various social justice issues they encountered. HOPE aims to open its participants eyes to the injustices around the world and across the street and hopes to motivate a passion for both change within themselves and in the world.

The Four Tenets

Honoring our Neighbor

We seek to walk alongside people in the communities to which we travel, showing our love and concern for them mostly by our presence and by any service we are asked to provide.

Organizing for Justice

By encountering situations of injustice domestically and internationally, we seek to name the underlying causes of these situations; that we might be able to work towards their resolution.

Practicing Peace

We foster and build relationships with communities to promote understanding amongst varying cultures at home and abroad, in an effort to end indifference and ignorance.

Encountering God

Rooted in the principles of Catholic Social Teaching and the Gospel, we are open to finding the living God amongst those who are suffering injustices.
**Proposed Schedules**

**Your site or the program may have additional meetings not listed here. Committee work, fundraising and other preparations will require additional time commitments outside of the presented schedule.**

**Winter Break Trips**

Information Sessions: September 2 & 3, 12:00pm in Martin 105 & September 2, 3, & 4 at 5:00pm in Duffy 101

Participant applications available: Monday, September 8th

Applications due: Friday, September 26, by 3:00 p.m.

International Interviews: Wednesday, Oct. 1–Wednesday, Oct. 15

Applicants notified about acceptance: Friday, October 17th

Participant Non-Refundable Deposit due: Friday, October 24th by 3:00 p.m.

Participant Orientation

*For those who have submitted all forms and fee payments

Participant Orientation

Wednesday, October 29th, 6:30-8:00 p.m.

Wednesday Night Group Meetings: November 5, 12, 19 & December 3, 10 6:30-8:00 p.m.

Final Payments Due: Monday, December 1st, by 5:00 p.m.

Send-Off Mass: Sunday, December 7th at 7:00 p.m. Mass

Group Fundraising Deadline: Friday, December 12th

Winter Break: Saturday, January 3- Saturday, January 10

Re-Entry Gathering: Wednesday, January 14th 6:30-8:00 p.m.

Re-Entry Gathering: Wednesday, March 25th, 6:30-8:00p.m.

Advocacy Day (on the Quad): Wednesday, April 8th, 10:30 a.m.–2:00 p.m.

Requirements for Applicants

Wednesday Night Meetings

All participants are required to attend meetings on Wednesday nights. If you have a class in the fall on a Wednesday night but are applying for the spring semester you are able to apply. If you are apply for a winter trip, you must attend Wednesday night meetings and thus cannot have a class from 6:30-8:00 p.m. You cannot take a Wednesday night class in the spring semester if you are applying for the spring or summer programs. If you do apply for the spring or summer trips and then take a Wednesday night class in the spring semester, you are responsible for the entire cost of your trip and will not be allowed to participate in the program.

Study Abroad Applicants

Anyone who is studying abroad in the fall semester may apply only for the H.O.P.E. Domestic spring trips or May domestic trip. No exceptions.

Attendance

The pre-trip orientation meetings are mandatory. If you miss more than one meeting you will need to meet separately with the Campus Minister for Service Immersion Programs to discuss your commitment to the program and possible dismissal.

Application

The applications will be available on September 8th on the Campus Ministry website. You may apply online for either H.O.P.E. Domestic or H.O.P.E. International. At the time of application, you will need to fill out a travel medical release form in consultation with your doctor. Please be mindful of this as you apply and take your medical needs seriously. Your health is the most important aspect of your life!

Due Dates

The applications are due on September 26th by 5:00 p.m. The application will be online and the link will become inactive at 5:00 p.m. on the 26th. You are thus unable to apply after the deadline. No exceptions.

Behavior Requiring Disciplinary Action

All students who apply for H.O.P.E. are required to abide by Stonehill College’s Student Code of Conduct. Anyone who breaches this policy will be adjudicated by the Office of Community Standards. Your posture and actions reflect the college at all times and thus a deep level of responsibility is appropriate behavior is expected.
Cell Phone Policy

Domestic:
In solidarity with the individuals we are serving, cell phones **MAY NOT** be used while on site. Students may use their cell phones only during *travel times* as other times (meals, reflection, group bonding, etc.) should be spent connecting with the other students, leaders, and staff members. The purpose of this guideline is for students to be present and in the moment thinking about the H.O.P.E. experience, instead of constantly focusing on engaging with friends and family back home. Family and friends may listen to the H.O.P.E. hotline for updates on their students’ trip.

International:
Students that happen to have international service phone plans must abide by the domestic cell phone policy guidelines. If a student does not have an international service phone plan, they **MAY NOT** use the Stonehill College cell phone to make personal phone calls to friends and family. Their family may listen to the H.O.P.E. hotline for updates on their students’ trip. **If a student (or family) does not feel comfortable not having contact with their family (or student) for the entirety of the trip, the student should not consider applying for International H.O.P.E. trips.**

Large Group Meetings:
Students **MAY NOT** use cell phones during Large Group Meetings. Leaders will collect student cell phones at the beginning of the meeting and return them at the conclusion of the meeting. This policy is to ensure active participation in the discussions and prepare for the cell phone separation during the H.O.P.E. trip.
Costs and finances

. Costs

Domestic trips last year were funded greatly by a grant. We are still awaiting confirmation of
the grant for this year, so we are proceeding as if we do not have the grant to pay for the trips.
The college does not give the Office of Campus Ministry funding for the H.O.P.E. trips so it is
your responsibility to fundraise and pay for your trip. If you are unable to pay for your trip and
still go on said trip, a hold will be placed on your account until the payment has been made in
full for the trip.

. When payments are due

At the time of acceptance on October 17th, students will be given a time when they are to con-
firm their participation in the program. At the time they commit to the program, they will need
to put down a deposit of $200 for the domestic sites and $250 for international sites. If they de-
cide not to participate in the program, then we will fill the open space with someone from the
waitlist.

. Fundraising requirements—amt and due date

In the fall, students will work diligently to fundraise for the cost of their trip. They will work with
their group to bring in money for their trip and all collected money will be a tax write off for the
giver and also will go to bring down the cost of the trip for all participants. All spring break and
summer break students will be notified of their cost per person in January after all the fundrais-
ing has been completed. This remaining balance can be paid directly by the student or pay-
ments can be made by others to the Office of Campus Ministry in the student's name. All pay-
ments will be due in February prior to departure of the trip. To make this less of a financial bur-
den on yourself and your family, it is HIGHLY recommended you be innovative with your fund-
raising efforts! All winter trip students will need to pay the remaining balance for their trip by
Reading Day to ensure participation in the program. Group fundraising will have an earlier
deadline as well which is TBA at the moment.

. Scholarship info

This year, there is very minimal money for scholarships for students. Please be prudent in your
selection of sites based on the financial need you have and the cost of the trips. You may apply
for scholarships but know that there is a lot less to give away so your scholarship may be only a
small portion of the total cost of your trip.
West Virginia

The West Virginia HOPE trip is focused on the issues of sustainability, environmental justice, poverty, and elderly care. In West Virginia, hydraulic fracturing or fracking, mountain top removal, and lack of access to food are some of the key issues that surround the area. The land is commonly exploited and the people who live there often have to suffer from this exploitation because West Virginia is rich in natural resources. The state also has an extremely high elderly population, many of whom have no caretakers near by. Participants of the West Virginia trip, will work with the Appalachian Institute at Wheeling Jesuit University to learn about these issues and the true value of community. Additionally, they will give their services to a variety of programs such as a community run garden, food pantries, soup kitchens, elderly care facilities and many others.

Social justice area: Sustainability, environmental justice, elder care

Spring Break

Trip size: 12

Approximate cost: $690.00
Staten Island, New York

HOPE Staten Island participants will do hurricane relief work for those who suffered from Hurricane Sandy. They team up with the Episcopal Recovery team of Staten Island. Hurricane Sandy not only destroyed homes and buildings, but also brought financial difficulty to many people. Trip participants will learn about the effects of Hurricane sandy. The hands on services include both indoor and outdoor construction work, such as landscaping, priming, painting and molding.

Approximate cost: $490.00
HOPE Tennessee participants will have the opportunity of serving communities surrounding the Sunset Gap Community Center. They will be assisting them in home reconstruction for underprivileged families that would not be able to finance or execute repairs otherwise. Many people living in the part of Tennessee that this trip serves have been stricken by poverty. Participants will learn about the locals’ situations and their appreciated land. Other services and programs that the Sunset Gap Community Center offers include, but certainly are not limited to, food pantries, thrift shops, and bible camps.

Arizona

HOPE Arizona participants will travel to the city of Phoenix where they will have the opportunity to experience the mission of the Andre House of Hospitality. This organization, which provides a wide variety of services to the population of Phoenix experiencing homelessness, was established through the Congregation of Holy Cross and grew out of the Catholic Worker Movement. During their time at the Andre House, we will be assisting the staff as they serve meals and provide services including access to laundry, showers and other necessities that their guests might otherwise have to do without.

Bronx, New York

The Bronx HOPE trip is focused mainly on issues surrounding women, children, and education. Participants will work each day at the Mercy Center in Mott Haven, a poverty stricken community in the Bronx. The Mercy Center hosts classes for adults that aim to better a variety of life skills from parenting to computer techniques. It also offers a day care and after school program for kids. Throughout the week, participants will work at the Mercy Center in addition to tutoring a GED class, assisting teachers in elementary school classrooms, and more. During their experience they learn about the social justice issues the Mott Haven community faces specifically and about the education system in the Bronx.

Syracuse, New York

In Syracuse, NY HOPE participants will be working with the L’Arche Community and therefore will encounter social justice issues pertaining to intellectual and developmental disabilities. L’Arche Syracuse is made up of four houses, each with four “core members” or people with disabilities. HOPE Syracuse spends time with the core members and assists the care takers in cooking and cleaning the four homes. Other services may be asked of the participants depending on the needs of the core members and care takers. Through these services, they will immerse themselves into the L’Arche community and learn about the social exclusion barriers faced by people with assorted disabilities/abilities.

Kentucky

The HOPE Kentucky group will work with the Christian Appalachian Project to repair and construct homes in Eastern Kentucky. The main challenges this area faces are poverty and a lack of opportunity for growth and upward mobility. This HOPE group will be taking part in Work Fest, which happens annually and involves college students from around the country coming together to serve. Everyone will split into groups and will work with one family for the entire week. This opportunity allows the participants to learn about their families’ stories and create strong relationships with them.

New Mexico

This HOPE group will travel to Santa Fe, NM and focus on Native American and immigration injustices. While there, participants will work in partnership with Via International in a variety of ways, such as food drives and pantries and construction work. This trip involves a lot of learning about ancient Native traditions through both immersion and service. Additionally, participants will be able to hear about day laborer’s individual immigration stories and struggles while working with them. Sustainability and the connection of people to nature are topics of interest that will be encountered every day on the New Mexico trip.

Fast Facts:
Social justice area: Indigenous community, environmental
Winter Break
Trip size: 15
Approximate cost: $2150.00
Website: http://www.viainternational.org/index.html
In Camden, New Jersey, the poorest city in the nation, trip participants will tackle the social justice issue of urban poverty. Through both service of labor and service of presence, participants will be able to both give back to a community in need as well as get to know the residents of Camden on a personal level. Participants will stay at the Romero Center, a retreat center focused on catholic social teaching. Other students and volunteers will also be at the Romero Center, allowing participants to share and reflect on what they experience at their service sites on a daily basis.

Fast Facts:

Social justice area: Urban poverty
Winter Break
Trip size: 8
Approximate cost: $775.00
Website: https://www.facebook.com/romerocenterministries
Oregon

This trip focuses on the social justice issues of hunger and homelessness. Volunteers will mainly serve with the hospitality ministry at St. Andre Bessette Church in downtown Portland. Some of the community programs run by St. Andre include an art program, a foot care program, a food pantry, and fellowship groups. Participants will also engage in service with the following organizations: Operation Nightwatch, Central City Concern, and L'Arche Portland. During the week long service immersion trip, students will learn about poverty in the Portland area and build community with those who are hungry, homeless, mentally ill, recovering from drug addiction and abuse, and living with intellectual and developmental disabilities.

Fast Facts:

In Coachella Valley, California, Stonehill's HOPE group will be working with the Coachella Valley Housing Coalition to build affordable housing. The CVHC is a non-profit housing development corporation dedicated to helping low and very low-income families improve their living conditions through advocacy, research, construction, and operation of housing and community development projects. Participants will take part in indoor and outdoor construction. They will be able to learn about the area’s needs and challenges, as well experience the strong bond of community there. On the HOPE California trip, students will also be exposed to immigration issues and policy in America, and the injustices migrant farm workers face with pay and working conditions.

The HOPE Ware trip travels to the Agape community. While there, participants immerse themselves into a life centered around sustainability and nonviolence. They will learn about different ways to live in an environmentally sustainable manner and the value of a reflective retreat-life lifestyle that abstains from violence. The community operates solely off donations and requires upkeep for those visiting. Therefore, participants on this trip will take part in a variety of services that keep the community going. Together they will reflect on their services, lifestyles, and the value of community.

**Fast Facts:**

Social justice area: Sustainability, nonviolence
